

Conkers

Conkers is a seven-bed homely residential setting for adults who have profound and multiple learning disabilities located on our Mirfield site, it forms part of the Meadows development.

Each bedroom is en-suite with shared kitchen and lounge areas. Conkers also boasts a music room, featuring iMuse technology, which helps people create pieces of art through soundwaves. All seven rooms lead out into a shared patio area, so that the people who live here can enjoy the surrounding garden areas. Conkers give the adults creative control over their individual patio space which can be renovated and themed to represent them.

The adults who live with us have access to lots of social activities including attending the pub or cafe for nice meals, going to the park to feed the ducks, and attending sporting and music events. Our staff are always thinking of fun activities and also work alongside Hollybank's in-house therapies team.

“Conkers is a happy place. Everyone who works there is so helpful.”

A little bit about us

We provide teaching, residential care, plus a range of therapies and enrichment activities for children, young people and adults with profound and multiple disabilities.

Everyone deserves to have a home where they feel safe and supported. Over the past seventy years, we have built our reputation as the experts in residential care for children, young people and adults with profound disabilities.

We have purpose-built residential accommodation for children, young people and adults, across ten residential homes. Our main site, at Roe Head in Mirfield, is set in 22 acres of beautiful, well-cared for grounds with views across to the Pennines.

Beyond our main site in Mirfield, we also have three community homes for adults in West and South Yorkshire.

The vast majority of people we support use wheelchairs to move around and communicate non-verbally. Our services are wheelchair accessible, although vary in layout.

The majority of our services have outdoor space to explore and enjoy the seasons to promote positive wellbeing.

Each service is unique, we provide support that is individual to each person, and promote full participation in our residential environments such as involving adults in decoration, furnishing, and we also promote utilising communal areas to meet preferred collective benefits.
